KENTUCKY DISTRICT ASSEMBLY

Winifred R. Cox

As the years come and go, they bring around again the annual gatherings which have been so scheduled, and among them was the Kentucky District Assembly held at Kingswood, Kentucky, August 27-28-29.

It has been my privilege to preside at the District Assemblies of this District for several years, and to meet the ministers and delegates from various portions of the state. It has been interesting to hear reports of the preachers and learn of the battles and victories which have been fought and won during the past year. The substantial gain in membership shows constructive advancement; the largest attendance we have ever had, shows increased interest; and the spiritual feast and grand time which the Lord gave us, should cause every preacher, delegate and member to take new courage and push forward as never before.

It is true that the foreign missionary fields place before us a worthy call for assistance, but a map which a brother drew of the counties of the state of Kentucky showed us a field right at our door and thus proved that our "beginning at Jerusalem" is an incompleted portion of our religious program. We should unite our forces in this state, liberally contribute to the Church Extension Fund, and in every possible way aid our evangelists appointed for this work, until every county in the state has been reached with Full Gospel.

No one should criticize the other until he is doing more than the other; no plan for doing things should be refused unless a better one is offered, and it should be remembered that the counsel which is most worthy to follow is that given by the one who is most greatly succeeding. The time is short and the coming of the Lord is nigh. "Let us cast off the works of darkness and put on the armour of light," while we pray the Lord of the harvest for more laborers.

LETTER FROM GENERAL SUPERINTENDENT OR FOREIGN MISSIONS

Kingswood, Ky.

Dear Reader:—

Words cannot express what was seen and felt at the Kentucky District Assembly held in Kingswood this early fall.

The weather was perfect. A wonderful rain the week before, followed by such balmy days, made us feel like GOD WAS WALKING AROUND MAKING ALL NATURE FAIRLY DRIP WITH HONEY FROM HEAVENLY HONEYCOMBS.

One grand feature was the early morning prayer meeting.

As the warm, soft sunrays made brilliant and bright the early morning hours, the soft breeze sang through the trees and GOD Himself drew us from comfortable beds to meet others of like faith, and hope, in the large tabernacle.

These prayer meetings gained such momentum that souls were quickened, visions given which circumnavigated the globe.

Our soul eyes were opened. The over one hundred counties in Kentucky, with no Pilgrim Holiness Churches, loomed up before the Assembly until it was a relief to get into the early prayer meeting, to confess to God, and humble ourselves and pray for power, courage, WORKERS and funds to reach these places.

Plans were made, which if carried out, will reach souls thousands of miles away. The business was transacted with such confidence and holy joy. No one had a wire to pull or fault to find. It all went so lovely that with perfect liberty, glowing prayers or songs fit in like honey in the honeycomb.

At one time the Assembly was asked to pray for a sick person. On their knees the whole crowd went with gladness, hope and faith. My, such a scene followed. Weeping, rejoicing and such physical and spiritual blessings until it was like Ezra's revival of long ago. Oh, that all gatherings could get so filled with GOD that business is secondary. That all present are always listening for orders from HEAVEN and more hungry for spiritual things than anything else in the world.

My, how these outpourings from God oiled the business sessions. It was all so grand that the Assembly voted that every preacher and delegate be in the CAMP MEETING NEXT YEAR FROM SUNDAY THROUGH SUNDAY.

No wonder the camp followed with such victory that over three hundred found their way to the altars.

My own soul fairly grew fat as I watched the splendid Spirit-filled preachers and delegates from all over the state, speak, sing or pray.

May GOD HIMSELF hold each one in HIS bosom, teaching, preparing and dealing until next year less time than ever will be needed in business, while together we fairly have a PENTECOST.

All for Jesus, R. G. FINCH.

DISTRICT SUPERINTENDENT'S LETTER AND REPORT

A great year of my life has gone into history, new experiences and battles have come our way, but we have found the blessed Holy Ghost a present help in time of need.

We have lost from our midst Mrs. Ruth Forsythe, of the Falmouth church, a true child of God and loved by all who knew her. We also mention with regret the death of Brother Coleman, the superintendent of the Ohio district.

We have had seven revivals this year, two at Normal, two at Maysville, one each at Prestonsburg, Rush and Jonesville.

We have made four trips over the district and a few special trips where minor adjustments were made. We have held one hundred and ten business meetings, received from twenty-three to twenty-five reports out of the twenty-eight churches each quarter and have been able to furnish our General Supreintendent with a report each quarter.

The Lord has helped us to preach two hundred and fifty-two times, praise the Lord. We have had one hundred and twenty-five seekers, fifty saved and twenty-five sanctified, have baptized six and prayed with fourteen for Divine Healing.

Have attended a number of church prayer meetings, traveled over five thousand miles, secured twenty-four subscriptions to the Advocate and spoke in behalf of Kingswood Holiness Church at each opportunity.

We have received for support this year as follows:

For Traveling Expenses	$ 283.35
For Evangelistic Services	394.00
From Preachers' Assessments	305.30
From Church Assessments	648.29
Total	$1,630.94

We wish to say that we have worked harder this year than any two years before. For all that has been done we humbly bow our head and give God all the glory.

We covet your prayers. All for the Master,

RAYMOND SIMPSON,

District Superintendent.

THE PILGRIM CHURCH AND MORAL ISSUES

Rev. W. R. Cox

The Pilgrim Holiness Church does not hesitate to put itself on record as standing for the highest standards which can be set up in regard to moral issues and good citizenship. While it is a unit in claiming that the Church and her interests, and getting the Gospel preached to the ends of the earth, are first in importance as to our duty to God and to our fellowmen, yet we, as members of the Pilgrim Holiness Church of the State of Kentucky, recognize we owe an obligation to our State and National Governments in contributing our part and privilege in securing and maintaining the best conditions possible for the welfare of our religious liberty, good citizenship and the home.

We concur with the righteous and highest sentiments of the best people of our land concerning the present political situation which confronts the great commonwealth of our United States. Never before has there ever faced us, such momentous and perilous calculations in connection with a political campaign. The national and religious liberties which have cost a supreme sacrifice on the part of our forefathers, are now being shadowed and the National White House is being sought as a home, by a candidate who is being offered to the voters of our nation, and whose sworn allegiance is to a foreign power; whose record as a private citizen as well as that of a public official, favors whisky and the nullification of the Eighteenth Amendment to our Consittution.

We do not believe we should take too much interest in politics, but we do believe the moral and religious issues which are now at stake demand our attention and assistance in seeing that the whisky business, or a man in favor of it, shall not take charge of our nation; we, therefore, put ourselves on record as standing for officials who will protect our national government from such, and urge all our voting people to go to the polls this fall and exercise our mightiest weapon—the ballot—against this awful challenge and thus help to defeat the most tragic proposition whcih has ever confronted our national life and happiness.

REPORT OF THE WAYS AND MEANS COMMITTEE

1

We recommend that the Birthday offerings for Bethel Orphanage be continued and encouraged, according to resolution number one, page ten. But that instead of resolution number thirteen, which provides for a special offering for the Home each second Sunday of each Quarter, freewill offerings be given as the needs shall be presented and the individual or the church desires.

2

We further recommend that resolution number two be carried out by every church in the district, and that if possible some Missionary organization be started, such as a prayer band, or mission study class, to aid in keeping the spirit of missions alive and before the people.

3

Inasmuch as our general interests are largely cared for by special offerings, we recommend that we continue to keep our doors open to their representatives and help them to our utmost everytime they appeal to us.
