I **read and understand** the plan provisions governing the distributions of benefits and received the **Special Tax Notice** regarding plan payments with respect to my payment election. I fully understand that failure to complete the entire form will delay my payment request.

I **accept** the benefits elected in full settlement and complete satisfaction of my benefits provided by the plan. I understand the relationship between my benefit election(s) and income tax withholding and have consulted a tax advisor, if necessary. I certify the information I provided on this form is accurate and complete. This election cancels any prior election I made under this plan.

Federal tax law requires a payment cannot be made any sooner than 30 days or later than 90 days after I received the Direct Rollover Form. However, my signature below is an affirmative election for the distribution option chosen on this Extended Payment Election Form and reduces the 30-day waiting period to 7 days as allowed by law. I understand if 90 days has passed since I received the Extended Payment Election Form, I should request another copy to restart the time limit described above.

To ensure compliance with the time limit, I certify: I received the Extended Payment Form on ___/___/___ (use your best estimate if you're not sure of the exact date).
