PROCEEDINGS OF THE SECOND ANNUAL
SOUTHERN CALIFORNIA DISTRICT COUNCIL
OF THE PILGRIM CHURCH
MERGING INTO THE
FIRST ANNUAL CALIFORNIA DISTRICT ASSEMBLY
OF THE PILGRIM HOLINESS CHURCH

First Day—Tuesday, January 30

The Second Annual District Council of the Pilgrim Church met in the Pilgrim Tabernacle, Pasadena, Cal., January 30, 10:30 a.m., Rev. Seth C. Rees, General Advisor, presiding. After leading in prayer, the Chairman called the Council to order, and the Secretary of the previous Council read the minutes of said Council, which were approved.

It being known that the delegates appointed by the General Council of the Pilgrim Church to attend the General Assembly of the International Holiness Church had effected a union of the two bodies under the name of the Pilgrim Holiness Church, there remained but few items of business requiring the attention of the District Council, before merging into a District Assembly of the Pilgrim Holiness Church.

The Committee on Expenses of Delegates to the General Assembly reported and their report was adopted.

The motion was made and carried that the Council request the District Assembly to assume the balance of indebtedness to said delegates.

Rev. J. P. Coleman presented the following Preamble and Resolution:

"Whereas, by invitation of several District Assemblies of the International Holiness Church, the General Council of the Pilgrim Church appointed the following named persons, Rev. Seth C. Rees and wife, Rev. G. Arnold Hodgkin and wife, Rev. Paul S. Rees, Rev. Carl Daul, and Miss Ethel True, missionary from Mexico, as representatives to the General Assembly of the International Holiness Church, held in Cincinnati, Ohio, October, 1922, with a view of uniting with their body; and,

"Whereas, the Delegation received a glad welcome from them and amid scenes of unparalleled rejoicing the union was consummated taking the name of Pilgrim Holiness Church; therefore,

"Be it resolved by the Annual Council of the Pilgrim Church that we approve the action of the Delegation in effecting this union with our sister denomination, and that we do now recognize ourselves as a District Assembly of the Pilgrim Holiness Church."

On motion this resolution was unanimously adopted, and by this action the Council of the Pilgrim Church became merged into the District Assembly of the Pilgrim Holiness Church.

The Assembly was called to order by the newly elected First Assistant General Superintendent, G. Arnold Hodgkin.

As a token of esteem, the Rev. J. P. Coleman presented the Chairman with a beautiful gavel made by him from choice imported woods. Brother Hodgkin expressed his appreciation of this valuable gift in fitting words, and the Assembly extended their thanks for the use of the same during its sessions, by a rising vote, directing that Brother Coleman's address be spread upon the minutes.

ASSEMBLY PROCEEDINGS

Superintendent Hodgkin addressed the Assembly in a few appropriate introductory remarks. Rev. Seth C. Rees spoke encouragingly regarding the outlook for the future. On motion he was invited to sit jointly with the Chair during the Assembly.

E. G. Bloomquist was elected Secretary pro-tem.

He is everlastingly at it, preaching and holding prayer meetings two and three nights in the week, and has made 750 visits during the year, praying in many homes. Expects to enter the evangelistic field in the Spring. Report adopted and character passed.

On motion the Assembly adjourned with benediction by Evangelist John Hatfield, to meet Wednesday, 10:30 a.m.

Providence for preserving to us through another year the life of our senior elder, Rev. J. P. Coleman, in the fullness of the blessing of Christ.

After brief parting messages of encouragement by Brothers Hodgkin, Rees, and others, the heartfelt singing of the Doxology for God's manifest presence in our midst, and a gracious season of prayer led by Brother Rees, the Assembly adjourned to meet at the call of the Chair.

EVANGELISTIC SERVICES

The Assembly being held during the progress of the regular Mid-winter Convention conducted annually in the Tabernacle, the afternoons and evenings were devoted to evangelistic meetings. Rev. E. E. Stielhamer was the evangelist, and the services were exceptionally fruitful in blessing upon both saint and sinner. Sunday, February 4, was a day of great victory, the altar again being filled with seekers both morning and night. The afternoon was devoted to the interests of Christian Education, and nearly \$3000 was pledged for the needs of the Pasadena Bible Training School. Following this a gracious Ordination Service was held in which Brothers Walter A. Carrithers, Fred Hahn and Perry Wilson were set apart to the Gospel Ministry.

ADDRESS ON PRESENTATION OF GAVEL

Mr. President: The good Book says, "Let the elders that rule well be counted worthy of double honor, especially those who labor in the Word and in teaching."

Having been designated by your brethren to this office of trust and responsibility, we gladly welcome you as the first General Officer to preside over our newly-formed Annual Assembly.

As a symbol of your office I take great pleasure in presenting you this gavel. I may say that it possesses historic interest. The handle is made of teak wood brought to me from India by my friend, E. G. Eaton. The mallet part is of Australian Red Gum. The work on it has been a labor of love. Keep it in memory of the beautiful and harmonious fellowship we have enjoyed together through the years.

And when you have sounded your last call and laid aside the cares and toils of life and have joined the General Assembly of the Church of the first born in Heaven and have received the Master's "Well done," I want to be near by to welcome you to the many mansioned home, and with you join in the unending song of blood-washed Pilgrims, "Hallelujah, hallelujah, hallelujah, amen!"

J. P. COLEMAN.

MEMORIAL

Sister Lyle Parker Hahn was born September 2, 1885, at Earlville, Iowa. At an early age her mother was taken from her. She began the study of music when about eight years old. At the age of eighteen she was graduated from the Johnson Conservatory of Music, in Minneapolis, Minnesota. She taught for a brief period, but tiring of this she became a school teacher in North Dakota.

Being thrown among godly people, she was led to give her heart to the Saviour and was powerfully converted. The change was so thorough and radical, it produced an entire revolution in her life. Worldly associates and fashions were given up and secret orders abandoned. Under the guidance of the Holy Spirit she was led into the experience of entire sanctification. She was engaged for a time in

traveling as an evangelistic singer. Being led to Pasadena, she attended the Nazarene University, taking the Christian Workers Course.

Following this, she was married to Rev. W. C. Hahn. From here they went to Iowa where they were engaged in evangelistic work, finally locating in Sioux City, Iowa, where they had charge of a mission. Two lovely children, Ruth and Edwin, were born to them. Sister Hahn was not very strong. Through all her sufferings, she was enabled to rest on the unchangeable Word of the Lord. In April, 1921, it was discovered that she was afflicted with cancer. Though a sore trial, she bore up under it with Christian fortitude.

Through these lingering days she would join in singing her favorite songs. One of her chief concerns was that her children might be trained to fear God and meet her in Heaven. On January 13, about four o'clock in the morning, she said she was tired and asked to be made comfortable so she could rest. Passing into a quiet slumber, she soon breathed her last and was not, for God took her.

Sleep on, Sister. There is coming a brighter day when ~~these~~ mortal remains shall come forth, clad in immortal beauty; and with loved ones looking, longing and waiting, there will be a reunion where family ties are never severed.

J. P. COLEMAN.

REPORT OF COMMITTEE ON EDUCATION

The Committee on Education, having met in brief deliberative session, desires to offer the following resolutions:

Whereas we appreciate the value of a Christian education, and are profoundly persuaded that an educational system should be maintained by our churches for the training of the youth, and most of all for our ministry, and

Whereas we are sadly aware that the educational systems are separating themselves from the Church, are becoming combative against her, and in no few cases the professorships of the larger institutions, both Church and State, are allied for the destruction of the doctrines of Christianity, and

Whereas God, in His good providence, gave Rev. Seth C. Rees the vision for a school such as will meet our needs in this crisis, and since through the untiring efforts of Brother Rees and his collaborators we have been provided buildings and professorship sufficient to accommodate several hundred students, therefore be it

Resolved, that we emphasize anew the importance of the education of our youth and ministry; that we unite in making the Pasadena Bible Training School one of our strong educational institutions, giving it our cheerful financial support; that we urge the Pilgrim Holiness Church at large to stand by us with their prayers and money, and at their earliest convenience recognize us as one of the general Church Schools.

G. A. HODGIN,
W. C. STONE,
GEO. GOODLANDER.

REPORT OF THE COMMITTEE ON FOREIGN MISSIONS

According to the last command of our dear Lord and Master, Jesus Christ, before He ascended into heaven to take His place at the right hand of the Father, we are to go and teach all nations, baptizing them in the name of the Father, and the Son, and the Holy Ghost—"And lo, I am with you alway, even unto the end of the age." Matthew 28:20.

The fields are white unto the harvest, the need is great, but where are the reapers? The time is short and what we do we must do quickly. None of us have gone too far in giving or praying.

We, the Committee on Foreign Missions, therefore urge upon our ministers and upon the members of our churches that we stir ourselves and one another to pray earnestly for all our missionaries in the various fields, that God may sustain them in every trying hour and use them to speedily evangelize the people to whom they are sent and thus bring back our blessed Lord and King. Let us not forget that Pentecost produces an immense interest in missionary work and seeks to answer its own prayers by an open pocket-book.

We recommend that each church of the district have at least one monthly missionary meeting and that they give systematically to foreign missionary work, and if possible, secure returned or outgoing missionaries to speak at such services.

We recommend that our young people who feel the call upon them to go as missionaries be encouraged in every possible way to fit themselves for the field by attending the P. B. T. S. where a thorough course will be given which will enable them to go forth into the battle thoroughly equipped.

Signed: MRS. SETH C. REES, Chairman;
MRS. FLORA EVANS,
MRS. D. S. PECK,
MRS. V. YORBA,
ALEXANDER KRAG, Secretary.

REPORT OF COMMITTEE ON SUNDAY SCHOOLS

Since "All scripture is given by inspiration of God and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be perfect, thoroughly furnished unto all good works," and since under the blessing of God and the guidance of the Holy Spirit, the Sunday School has been and is one of the greatest agencies of the Church to bring precious truth to old and young alike; therefore be it

Resolved, 1st, That every member of the Pilgrim Holiness Church should encourage and attend this means of grace when possible, and when not possible should receive a quarterly and support their Sunday School through the Home Department.

Resolved, 2nd, That as the Sunday School is thus so important it shall not be neglected nor discontinued by pastor or people unnecessarily.

Resolved, 3rd, That Pilgrim parents whose children are in our Sunday Schools shall co-operate with the teachers in having their children remain for the regular church services.

Some one has said that "While the church is trying to rescue a few old sheep, a thousand lambs go astray;" therefore we urge our pastors to preach at least quarterly a sermon to children.

Resolved, 4th, That this assembly sees the great need of one or more conventions annually to stir our people to greater interest in the Sunday School.

Resolved, 5th, That just so soon as may be possible the Pilgrim Holiness Church shall provide its own Sunday School literature.

D. T. GROUT,
MRS. VICTORINE YORBA,
MRS. A. J. JOHNSON.

REPORT OF THE COMMITTEE ON PUBLISHING INTERESTS

We deplore the fact that our land is being flooded with immoral and erroneous literature, so that few of our homes have escaped its blighting influence. Mormonism, Christian Science, Russelism, and all pernicious doctrines are spreading like wild-fire;

Therefore, be it resolved that we stand by the Bible as the sheet anchor of the soul, and that we increase our efforts in the publishing and circulating of wholesome papers and books to off-set these heresies and build up our people.

We recognize that it is vital to our success as an organized Church to rally more enthusiastically to the support of our Publishing Interests.

These interests at present mainly consist of an eight page weekly —The Pilgrim Holiness Advocate—published at Kingswood, Ky. This paper is the result of the combination of several formerly published by the different bodies of holiness people now united under the Pilgrim Holiness banner. It is hoped soon to make it a sixteen page paper full of spiritual food and fire, that will be a credit and blessing to the whole connection.

Our office at Kingswood also handles an excellent and complete series of Sunday School periodicals, which, until we are able to publish our own, are well deserving of our patronage.

We recommend that we do all in our power to help put our publishing work on a solid financial basis by subscribing and taking subscriptions for the Advocate; reporting for and contributing to its columns; and taking an annual offering in each congregation for this cause.

W. C. STONE,
D. T. GROUT,
MRS. BUD ROBINSON.

REPORT OF COMMITTEE ON HOME MISSIONS

After careful deliberation as a committee we find that the Home Mission work is the pressing need of our Church. Fields are open and by the co-operation of the Church as a whole, many new places may be established, centers where the full gospel may be preached; Therefore, be it

Resolved, that this Assembly create a District Home Mission Board, to consist of persons with zeal for such work, the District Superintendent always to be chairman ex-officio of said board. Be it further recommended and

Resolved, that a Home Mission Board should be elected in every local church in our District and that said board arrange for and hold a monthly Home Mission meeting, and at such meeting a liberal offering be taken for the Home Mission work of the district and forwarded to the treasurer of the District Home Mission Board to be carefully used to help in needy fields and to meet the expenses of the Home Mission work, under the supervision of the District Superintendent with the advice of the other members of the Board.

REECE H. ROBBINS,
MRS. FRANK ANDERSON,

ERIC G. BLOOMQUIST, Secretary.

RESOLUTIONS

We, your Committee on Resolutions, respectfully submit the following report:

Resolved, That it is a matter of very great pleasure to us as well as gratitude to our heavenly Father for the privilege of having with us our esteemed brother and co-laborer, Rev. C. Arnold Hodgin, newly elected First Assistant General Superintendent, to preside at this the first meeting of the California Annual District Assembly of the Pilgrim Holiness Church; that having performed the duties of his office satisfactorily and becomingly, we trust that in the good providence of God it may be our privilege to have him with us again.

Resolved, That our thanks are hereby due to our dear Brother Reece H. Robbins for his self-sacrificing labors in looking after the interests of the District as the District Advisor; and that as the newly elected District Superintendent, we pledge him our aid and earnest prayers as he goes forth in the work of spreading scriptural holiness throughout the bounds of the District.

Resolved, That we are profoundly grateful to the God of all grace for the preservation of the life of our beloved brother, Rev. Seth C. Rees, retiring General Advisor of the Pilgrim Church; that we are greatly indebted to him for his wise counsel and advice while sitting jointly with the chairman of this Assembly; and that we here renew our covenant to pray that the divine anointing may continue to abide with him throughout the remainder of his ministry.

Resolved, That we as the District Assembly tender our thanks to our Brother E. G. Bloomquist for the faithful performance of his duties as the Secretary of the Council meetings.

Resolved, That we highly appreciate the careful and painstaking efforts of our Secretary, Rev. W. C. Stone, in perfecting and completing the minutes of the Assembly.

Resolved, That we extend to our brethren of the International Holiness Church our great gratitude for their kind invitation to become associated with them in this closer bond of church fellowship; that in this new relation of oneness with them under the name of Pilgrim Holiness Church, reaching out across the continent from old Pacific shores, we give the glad hand of greeting and all hail with a pledge of undying fidelity.

Resolved, That we extend to the Mennonite Brethren in Christ, and also to the Pentecost Bands our very great appreciation of the kindly spirit they have shown in the different places where we have worshiped together as fellowlaborers in our common cause; and that we pledge our mutual faith and co-operation in our efforts to spread Scriptural Holiness over these lands.

Resolved, That we express our very great appreciation of the presence of our beloved brother, Rev. E. E. Shelhamer and family, and of their faithful, fruitful ministry to us, in the evangelistic services of this Assembly and Convention.

Resolved, That we extend a vote of thanks to the local church in Pasadena for its kind hospitality in entertaining this the first District Assembly of the California District of the Pilgrim Holiness Church.

Resolved, That we express our gratitude to those who have so generously sent in supplies for the dining room and others who have cheerfully and tirelessly labored in the kitchen. May the riches of God's grace be their exceeding great reward.

Resolved, That we return thanks to Almighty God for His marvelous blessing upon the general interests of our work and for His manifest presence during this Assembly; for the further fact that not a single session has been marred by unbrotherly strife or by unbecoming remarks; for the expanding vision which our people have caught, and for that heroic spirit which under God is bound to translate vision into splendid achievement.

J. P. COLEMAN, Chairman;
PAUL S. REES, Secretary;
C. H. DAUEL.
