REPORT OF THE DISTRICT SUPERINTENDENT

To the Twentieth Annual Conference of the California District of the Pilgrim Holiness Church: Christian Greetings:

I thank God for the Grace that has brought us through the past year to this hour. I pray for a true prospective upon the work done, which shall give God the credit for the successes and shall influence us to take the responsibility of any failures.

Frankly, it has been a year fraught with difficulties for the work. And while some gains have been realized I feel that they have not been of such proportions to lead us to either personal or Church pride, and yet there are some things heartening for which we are grateful. Let us take the backward look. What may be said of the numerical report? While our chief emphasis must be life centered, nevertheless, statistics have their place. The District Statistician's report shows a small increase in membership this year.

What may be said of The District Finance? In brief (The District Treasurer's report will give the details), this has been the best year in a decade, approximately \$1500 increase over last year in the total receipts.

Spiritually, a mixed condition exists. Some revivals have been productive for good—I regret, however, that there has not been a more effective Evangelism. Concerning the physical properties of the Church, certain achievements are worthy of mention. First Church cleared a long-standing note of around two thousand dollars; Phoenix has made material improvements to the church building and worked over the parsonage; East Los Angeles has cleared its indebtedness; others have added smaller improvements. All such moves tend to stabilize a work. In the field of Home Missions three new fields have been opened: Roseville, Garvey, Buena Park, and there is a pastor in each place; besides, word from Tucson indicates that the prospects are brighter there for a new work than in recent years.

We are grateful to God for these new openings made possible because of your giving. One of these new fields is ripe for immediate organization, and for the other two, organization, we believe, is not far off.

We helped also in other Home Missionary projects at Burbank, San Diego, and Roseville which did not develop as we had hoped.

I preached 190 times and saw about 225 seekers for the Grace of God.

I helped in 4 revivals and conventions on the District. The District has paid me \$1430.00 and parsonage. I thank them for this support.

May God bless us with renewed Faith and revived Vision for the coming year's work.

Sincerely and Faithfully Yours,

(Signed) WM. H. NEFF,
District Superintendent.

REPORT OF THE FOREIGN MISSIONARY COMMITTEE

In the words of the Psalmist we wish to say, "The Lord hath done great things for us whereof we are glad."

As a Pilgrim Holiness Church, God has favored us with a consecrated spiritual group of Missionaries who are representing us in their respective fields, and are doing a gracious work in rescuing the perishing and building up the Kingdom of God.

As a District, vision for, interest in, and support of this great Missionary work has been given.

We humbly give praise to God for each Missionary-minded Pilgrim and Friend who has made possible the splendid Missionary support of \$2,450.06 beside special support of \$110.00 to Brother Powery and \$110 to Mary Turner, Antigua; also \$94.00 to Mexican students, \$45.00 to the Philippines, and for supplying a horse, organ, and a burro for native workers the past year.

We urge that we do no less, and whenever and wherever possible that we do more the coming year, remembering that we are to work while it is day. Since almost all missionary societies are expectant that after this war is ended Missionary doors which now are closed to Missionary work may be opened, and that called and trained Missionaries will be needed to enter these doors, we would urge that our pastors and Missionary leaders call their people to "Pray the Lord of the Harvest that He would send forth laborers into His harvest."

We believe further that never in the history of missions was there a greater need for earnest, prevailing prayer as today, with our Missionaries facing privations and hardships, some even totally cut off from all outside communications. The door still remains open in most of the Mission fields in which our Church is working. And, what with the shortness of the hour in which to work, we need to pray more, labor more arduously, and support more regularly and systematically the entire Missionary program of the Lord as outlined by our Church. "Shall we whose souls are lighted with wisdom from on high, Shall we to men benighted, The lamp of Light deny?"

Respectfully submitted,
