DISTRICT SUPERINTENDENT'S REPORT

To the twenty-second Annual Conference of the Tennessee District, greetings in Jesus' precious name.

We are indeed thankful to God for the good campmeeting just ended, and appreciate the good Godly spirit of our good workers.

This has been a year filled with activity. God has been graciously near to give strength and the blessed assurance He was ever leading us forward and upward.

We are glad God has allowed us the privilege to work with the people of God in this district. It has been a pleasure to work with my Assistant Superintendent and the brethren of the council. We have faced some problems to be sure, but always with a good spirit and an eye single to God's glory.

Improvements on the district: Clinton has finished the basement, first floor and a portion of the second floor of a fine parsonage.

Gordon Lake has put the floor in the new church, and is ready now to put the ceiling up. It should be ready to move into before long. Chattanooga has redecorated the interior of their church, and put on a new roof. Also they have done some painting. Monterey has done some much needed work on the parsonage and church.

District Home Missions: New Providence, with lots of hard work on the part of Bro. Voyles, Bro. Turner and I have erected a basement church, with a small debt at present of some three hundred dollars. Nashville has purchased a fine lot in a splendid location, however, there is some debt remaininig. We are expecting a building there this year. Newport has purchased a lot in a good location and are in a tent meeting there now.

Personal report: I have traveled some twenty thousand miles in the interest of the district. Attended our church leaders meeting. Conducted one ministerial meeting, presided over several council meetings, worked thirty days at New Providence, one week at Gordon Lake, one week at Clinton and three weeks on the campground. Held six revivals on the district, one outside, and visited most of the churches three times, with three special calls.

My salary and travel expense is paid in full.

For all that has been accomplished we give God the glory.

Respectfully submitted,
Charles F. Lory.

REPORT OF THE YOUNG PEOPLE'S AND SUNDAY SCHOOL PROMOTIONAL SECRETARY

I traveled six hundred and twenty miles in the interest of this office. Attended four zone meetings, introduced the Standard Teachers

Training Course to each zone, also ordered two kinds of materials on said course and sent to each pastor to be given to teachers. Printed eight issues of the monthly district bulletin consisting of two hundred fifty copies each, and sent to each church according to membership. Preached once on Sunday Schools at the ministerial convention. Conducted the Young Peoples' services at the campmeeting. The Sunday Schools showing a gain in attendance were eight. Showing a loss were six. Same as last year one. District average attendance was 722. The district gain was nine. Schools taking teachers training court two. Schools planning to take course three.

Respectfully submitted,
C. E. Hanks.

Recommendations of the WAYS AND MEANS COMMITTEE Local Church Financial

1. We recommend that all evangelists, song evangelists, pastors and conference ministers are to send their ministerial tithes to the District Treasurer the first of each month. Where their ministerial tithes do not average as much as \$2.00 per month, they are to send that amount monthly, except ministerial students while attending Bible School, or those physically unable to work or pastor a church. When husband wife are both pastoring a church, or both traveling together in evangelistic work, they shall be assessed a minimum of \$2.00 per month. This money is to be divided as follows: 60% District Administration fund; 20% District Home Missions; 20% District Campmeeting.

2. We recommend that each evangelist, song evangelist, pastor and Conference minister pay their general budget through the local church.

3. We recommend that all members tithe into the local treasury, except ministerial tithes from church salary, and that 10% of the regular offerings (Sunday morning tithes and offerings) or its equivalent, from each church or mission be sent to the District Treasurer not later than the fifth (5th) of each month. This will then be divided as follows: District Administration 60%; District Campground 7½%; District Home Missions 17½%; General Conference 10%; Bible School 5%.

4. We recommend that each church or mission take two free will offerings for the Bible School at Kernersville. The first to be taken on or before October 31st, and to be sent to the District Treasurer November 1st. The second to be taken on or before May 31st and to be sent to the District Treasurer on June 1st.

5. We recommend that our churches and missions be assessed the following amounts for traveling expenses of our District Superintendent: Chattanooga, Jamestown, McEwen, Monterey, Clinton and Paris \$2.50 per month. Lake City, Jellico, West LaFollette, Gordon Lake and Morristown \$1.50 per month. Moss, Nashville and East LaFollette 50c per month. This money is to be sent to the District Treasurer the first of each month to be placed in the District Superintendent's travel expense fund. Also it is understood that any church calling the Superintendent for a special meeting shall be expected to give him the equivalent of 5c per mile for his expense.

6. We recommend that the District Minutes be paid for from the District Administration fund, and that each pastor co-operate in sale of the minutes at the listed price.

7. We recommend that each local church take pledges for the campmeeting, to be paid by the first of May each year, to eliminate the hard pulling for offerings in the campmeeting services.

Sunday School Work

1. We recommend that all birthday offerings be placed in the District Home Missions fund, and that all pastors co-operate with our Sunday School Superintendents in urging those attending our Sun-Schools to bring in their birthday offerings, explaining to them that the money is used for District Home Missions. This money is to be sent to the District Treasurer the first of each month.

2. We recommend that our pastors see to it that on the last Sunday of each month the Sunday School raise the equivalent of 2c per member average attendance for that month, the same to be sent to the District Treasurer the first of the following month. This money is to be divided equally between the District Home Missions fund and the District Campground fund.

Young Peoples Work

1. We recommend that our District Young Peoples' and Sunday School Secretary send monthly news sheets to each pastor for distribution to Y. P. Leaders and Sunday School Superintendents etc., also giving them helpful hints and advice. Pastors, Y. P. Leaders and Sunday School Superintendents are to inform the District Young Peoples' Secretary as to what the local churches are doing for our young people, and do all in their power to push the interests of the local work. We further recommend that they heartily co-operate with our District Y. P. Secretary. Said Secretary is to receive \$4.00 per issue to take care of expenses and trouble in connection with this work. The money is to be paid from District S. S. and Y. P. fund.

District Financial

1. We recommend that our District Superintendent be paid a salary of \$140.00 a month. If the salary cannot be paid from the District Administration fund because of lack of funds, it is to be paid from the Home Missions fund.

2. We recommend that our District Superintendent pay his tithes to the District Treasurer, the same to be placed in the District Administration fund.

3. We recommend that our District Superintendent be allowed the privilege of holding three revivals off the District this year, and that he be permitted to keep his offerings, but he shall pay his own traveling expenses.

4. We recommend that our District Treasurer pay our District Superintendent's light and 'phone bills, also his 4% pension plan dues, same to be paid from the District Administration fund.

5. We recommend that our District Superintendent's traveling expenses to the Superintendent's meeting in Indianapolis be paid from the District administration fund.

6. We recommend that all pastors receiving District assistance make a full monthly report to the District Superintendent.

7. We recommend that our District Superintendent visit each church three times during the year if possible, and that he inform the churches of the progress that the District is making, and also inform each church as to what progress that church is making in keeping their budgets paid. If they are behind, he is to meet with the board and try to work out a plan whereby they may do better.

8. We recommend that our District Superintendent appoint some one to launder all campmeeting things needing washing at the close of the camp, the party doing this work to receive \$20.00. This money to be paid from the Campmeeting fund.

9. We recommend that the District Secretary also be the Statistician, and that he receive two dollars (\$2.00) per month for his services. This amount to be paid from the District Administration fund.

10. We recommend that our District Treasurer be paid \$7.50 per month for expenses, this money to be paid from the District Administration fund. The Treasurer is to mail out once a quarter to each pastor or church treasurer and active evangelists, a report of monies received to date. Also to keep the Superintendent informed as to how the churches are keeping up with their budgets.

11. We recommend that the District Treasurer pay the 4% contribution to the pension plan for each of the evangelists who are cooperating with the District in sending in their ministerial tithes monthly, and who desire to sign with the pension plan. This payment is to be made from the District Administration fund.

12. Inasmuch as it is with real difficulty and hardship that the camp is prepared each year, we recommend that each conference licensed and ordained minister work two days on the campground or hire someone to work the two days. If unable to do either the church shall pay the pastor's amount of \$15.00, or in case of an evangelist or unstationed minister, they shall pay this amount to the District Treasurer to be placed in the campground fund.

13. We recommend that at each zone meeting an offering be taken in one of the services, this money to be sent to the District Sunday School and Youth Treasurer to be placed in this same fund.

14. We recommend that the District Superintendent appoint a committee of three to be in charge of all District Home Missions work and monies to be spent for that work.

15. We recommend that we have a campground and lot committee, consisting of the District Superintendent, the District Treasurer and one other man elected by the District Council. This committee is to be in charge of all lots, the upkeep and improvements of the buildings and to have the oversight of all rooms. The chairman is to get the consent of at least one other member of the committee before paying out any monies for improvements.

16. We recommend that we have a campmeeting committee consisting of the Campmeeting Treasurer, the person in charge of the kitchen, the person in charge of the lunch stand and the person in charge of the book room. The duties of this committee shall consist in the purchasing of food, books, etc., necessary for the campmeeting, to receive and count all offerings and money given during the campmeeting and to post the Superintendent from time to time as to the additional amount of money needed to close the campmeeting without debt; also that everything to be sold on the campground during camp be under the jurisdiction of the committee.

17. We recommend that our District Superintendent be paid 5c a mile traveling expenses when traveling in the interest of the District. When traveling especially in the interest of District Home Missions, travel expenses are to be taken from District Home Missions fund and to be reported along with regular travel expense.

18. We recommend that at the beginning of the 1955 camp, there be a charge of \$1.00 registration fee for each person over ten years of age, or 50c for each person staying less than five nights. A charge of \$5.00 per room for ten days or \$1.00 per night. All dormitory beds free. A charge of \$5.00 for ten days for meals, or 40c a meal. All children under ten years of age, one half price. We further recommend that those desiring to work out expenses, be permitted to do so.

19. We recommend that all active gospel workers be entertained free, but shall pay registration fee.

DISTRICT LOAN FUND

1. We recommend that District Loan Fund be placed under supervision of a committee of three, the District Superintendent, District Treasurer and one other appointed by the District Council, said committee to be under direction of District Council.

2. We recommend that each loan be limited to \$500.00 payable in eighteen monthly installments at 4% percent interest rate until loan fund shall reach such an amount as would merit increase.

3. We recommend that each church be limited to one loan at five hundred dollar limit until said church has paid principal and interest down to \$250.00. After which the church will become eligible for additional loan of \$250.00.

4. We recommend that when regular monthly payment can not be made that the church be penalized \$2.50 for each month behind with payment.
