DISTRICT SUPERINTENDENT'S REPORT

Bro. Snyder, our good General Superintendent, members and friends of the twenty-fifth Annual Conference of the Tennessee District, I greet you in Jesus' name.

I am thinking of the words of Joshua as he stood before the children of Israel ready to lead them over Jordan to the land God has promised, "For tomorrow the Lord will do wonders among you." This, I feel, we can say of the Tennessee District if we are ready to accept the challenge of the ripe harvest field all around us, "For tomorrow the Lord will do wonders among you." What better way to stir ourselves than to gather at a conference like this and review our accomplishments, if any, and our failures.

While we review the past we should set some goals for the future. At our General Conference just closed some worthy goals were offered, and I feel deserve our attention, and an all out effort to reach these goals. We are asked as a district to start one new church a year for the next quadrennium. This we should take as a matter of earnest prayer. It seems a small goal and yet in these twenty five years if we could have done at least that, we would be much stronger today. If this is done we must cooperate with every effort to strengthening our district home missions.

Each local Sunday School shall set as their goal for the quadrennium a net numerical gain of ten, in average attendance. This may again seem small but if all would do this we would have a gain of 180 in our district and a gain of 10,000 for our church. We can not do less than this and trust we can do more.

It is asked that we have a gain in membership. If we can see these other goals reached and have the spiritual awakening we need, we will see a gain in membership. I pray above all, that God will give us souls. "For tomorrow the Lord will do wonders among you."

We are thankful for what God has helped the faithful Pilgrims of this district to accomplish this year.

Following is a brief report:

Church Improvements

In my estimation this has been a good year on the part of those churches we have for making an effort to improve on our facilities and the enlargement of our Sunday School plants so that we might better reach the lost. I pin point these improvements not because I had any small part, but because I feel it is my duty to call attention to these accomplishments on the part of the good pastors and their churches. Clinton—The parsonage exterior was painted and the church interior decorated. Jamestown—Sealed, poured concrete floor and laid block partitions in basement. Put in gas space heaters for each room. Jellico—Sold old church building and re-located on a beautiful piece of property with parsonage thereon. Many improvements have been made on this building. Plans are drawn and work is beginning on their new church. Lake City—Exterior of church painted and Sunday School rooms redecorated. West LaFollette—Was needing the rooms being used as a parsonage under the church. Bought a nice block construction with brick trim house next door. The interior of house was redecorated and is now being used as a parsonage. Seats were placed in the basement rooms of church and are now being used for classes. McEwen—A new church building has been completed. Value is well over \$8,000.00 with only a small debt of \$412.00. Gordon Lake—Have closed in front of church in preparation for the installation of rest rooms and nursery. Morristown—Has started the construction of their church on top of the present basement. Roof is now on and all brick on grounds ready for bricklayers to veneer. Moss—Is completing their new church of block construction with full basement for Sunday School rooms. A wonderful improvement over the old building. New Providence—Painted seats and repaired roof. Painted interior and graveled parking lot.

District Home Missions

While no new work has been started this year we are delighted with the progress made by the baby churches of the Tennessee district.

Lake View has a substantial increase in the Sunday School with interest high. The completed four room Sunday School addition of a year ago has proved a blessing. Elizabethton has brighter prospects than we have known. Recent victories around the altar in the regular services bring to us the additional help we have needed in establishing a church.

Oak Ridge reports a wonderful spring revival, the first conducted in this church. Several found help and there was evidence of a desire on the part of the people to go deeper in the things of God. They are looking forward to the day a building program can be launched.

Personal Report

Traveled not less than 12,754 miles in the interest of district and gospel work. Had the privilege of attending the annual church leaders conference at Indianapolis. Presided over five council meetings. Worked at least twenty one days on campground. Worked at least ten days for district churches. Gave some assistance to our good Jellico pastor in selling old property and relocating. Assisted in the purchase of a parsonage for West LaFollette, and spent three days helping raise funds. Had the privilege of ground breaking service at Jellico for new church, also speaking at dedication service for new church building at McEwen. Held five revivals. Helped in preparing for and conducting camp and ministerial meeting. Made at least three visits to each church. Had wonderful fellowship among God's people and feel most unworthy. Salary and traveling expense paid in full.

Respectfully submitted,
L. E. Galyon

REPORT OF THE SUNDAY SCHOOL PROMOTIONAL SECRETARY

Attended three meetings in Zone No. 3. Participated in the Sunday School Enlargement Program with eight other churches in the district. Printed ten bulletins of which two were doubleheaders. Sent copies of bulletins to all promotional secretaries, to each church in the district and the unstationed ministers.

Eleven churches show a loss of fifty two members. Four churches show a gain of twenty two over last year, which leaves an over-all loss of thirty for the year. There were three churches that show a loss of ten for the month of May, but fourteen churches show a gain of 213 for the same month, which gives us a net gain of 203 for the month of May.

West LaFollette was the only church that made honorable mention in the Enlargement Program. They also made the largest yearly numerical gain, which was eighteen. Lake View was the next with a gain of seven. One church not reporting for the month of May.

Respectfully submitted,
Paul A. Light
Homer G. Brown

Recommendations of the WAYS AND MEANS COMMITTEE Local Church Financial

1. We recommend that all evangelists, song evangelists, pastors and conference ministers are to send their ministerial tithes to the District Treasurer the first of each month. Where their ministerial tithes do not average as much as \$2.00 per month, they are to send that amount monthly, except ministerial students while attending Bible School, or those physically unable to work or pastor a church. When

husband and wife are both pastoring a church or both traveling together in evangelistic work, they shall be assessed a minimum of \$2.00 per month. This money is to be divided as follows: District Administration fund 60%; District Home Missions fund 20%; District Campmeeting fund 20%.

2. We recommend that each evangelist, song evangelist, pastor and conference minister pay their general budget through their local church.

3. We recommend that all members tithes into the local treasury, except ministerial tithes from church salary, and that 10% of the regular offerings, (Sunday morning tithes and offerings) or its equivalent, from each church and mission be sent to the District Treasurer not later than the fifth (5th) of each month. This will then be divided as follows: District Administration 60%; District Campground 7½%; District Home Missions 17½%; General Conference 10%; Bible School 5%.

4. We recommend that each church or mission take one free will offering each year for the Bible School at Kernersville, to be sent to the District Treasurer.

5. We recommend that our churches and missions be assessed the following amounts for traveling expenses of our District Superintendent: Chattanooga, Jamestown, McEwen, Monterey, Clinton and Paris \$2.50 per month. Lake City, Jellico, West LaFollette, Gordon Lake and Morristown \$1.50 per month. Moss, Nashville, East LaFollette, New Providence, Elizabethton, Oak Ridge and Lake View 50c per month. This money is to be sent to the District Treasurer the first of each month to be placed in the District Superintendent's traveling expense fund. It is also understood that any church calling the Superintendent for a special meeting shall be expected to give him the equivalent of 5c per mile for the expense.

6. We recommend that the District Council have charge of the printing of the minutes and make provision for the paying for the same; and that the sale of the minutes be made at the first quarterly meeting under the direction of the District Superintendent.

7. We recommend that all churches estimate their general budget by the month and that each first Sunday of the month the Sunday School offering be raised to that amount and be sent to the District Treasurer.

Sunday School Work

1. We recommend that all birthday offerings be placed in the District Home Missions fund, and that all pastors cooperate with our Sunday School Superintendents in urging those attending our Sunday Schools to bring in their birthday offerings, explaining to them that the money is used for District Home Missions. This money is to be sent to the District Treasurer the first of each month.

2. We recommend that our pastors see to it that on the last Sunday of each month the Sunday School raise the equivalent of 2c per member average attendance for the month, the same to be sent to the District Treasurer the first of the following month. This money is to be divided equally between the District Home Missions fund and the District Campground fund.

3. We recommend that our District Sunday School Secretary send monthly news sheets to each pastor for distribution. Said secretary is to receive \$5.00 per issue to take care of the expense. This money is to be paid from District Sunday School and Youth fund.

4. We recommend that each Sunday School have an annual Record Breaking Day the second Sunday of May, (Each Sunday School giving special effort to break their former record) and that a special offering be taken for District Home Missions.

Young People's Work

1. We recommend that the District Young People's Secretary put an article in each issue of the news sheet.

District Financial

1. We recommend that the District Superintendent be paid a salary of \$40.00 per week. If the salary cannot be paid from the District Administration fund, because of lack of funds, it is to be paid from the District Treasurer, the same to be placed in the District Administration Home Missions fund.

2. We recommend that the District Superintendent pay his tithes from the District Administration fund.

3. We recommend that our District Superintendent be allowed the privilege of holding five revivals a year off the District, and that he be permitted to keep his offerings, but he shall pay his own traveling expenses.

4. We recommend that the District Treasurer pay our District Superintendent's light and phone bills, also his 4% pension plan dues, same to be paid from the District Administration fund.

5. We recommend that our District Superintendent's traveling expenses to the Superintendents meeting in Indianapolis be paid from the District Administration fund.

6. We recommend that all pastors receiving district assistance make a full monthly report to the District Superintendent.

7. We recommend that our District Superintendent visit each church three times during the year if possible, and that he inform the churches of the progress the District is making, and also inform each church as to what progress that church is making in keeping their budgets paid. If they are behind, he is to meet with the board and try to work out a plan whereby they may do better.

8. We recommend that our District Superintendent appoint some one to launder all campmeeting things needing washing at the close of the camp, the party doing this work to receive \$25.00. This money is to be paid from the Campmeeting fund.

9. We recommend that our District Secretary also be the Statistician, and that he receive two dollars (\$2.00 per month for his services. This amount is to be paid from the District Administration fund.

10. We recommend that our District Treasurer be paid \$10.00 per month from the District Administration fund and that he mail out once a quarter to pastors, church treasurers and active evangelists a report of monies received to date. Also that he inform the District Superintendent as to how the churches, pastors, evangelists and unstationed ministers are meeting their District obligations.

11. We recommend that the District Treasurer pay the 4% contribution to the pension plan for the evangelists who are co-operating with the District in sending their ministerial tithes monthly and who desire to sign with the pension plan. This payment is to be made from the District Administration fund.

12. In as much as it is with real difficulty and hardship that the camp is prepared each year, we recommend that each conference, licensed or ordained, minister work two days on the campground or pay \$10.00.

13. We recommend that at each zone meeting an offering be taken in one of the services, this money to be sent to the District Sunday School and Youth Treasurer to be placed in this fund.

14. We recommend that the District Superintendent appoint a committee of three to be in charge of all District Home Missions work and monies to be spent for that work.

15. We recommend that we have a campground and lot committee, consisting of the District Superintendent, the District Treasurer and one man elected by the District Council. This committee to be in charge of all lots, the upkeep and improvements of the buildings and to have oversight of all rooms. The chairman is to get the consent of at least one other member of the committee before paying out any monies for improvements.

16. We recommend that we have a campmeeting committee consisting of the Campmeeting Treasurer, the person in charge of the

kitchen, the person in charge of the lunch room and the person in charge of the book room. The duties of this committee shall consist in the purchasing of food, books, etc., necessary for the campmeeting, to receive and count all offerings and money given during the campmeeting and to post the Superintendent from time to time as to the additional amount of money needed to close the campmeeting without debt. Also that everything to be sold on the campground during the camp be under the jurisdiction of the committee.

17. We recommend that our District Superintendent be paid 5c a mile traveling expenses when traveling in the interest of the District. When traveling especially in the interest of District Home Missions travel expenses are to be taken from the District Home Missions fund and to be reported along with the regular travel expense.

18. We recommend that in our camp there be a charge of \$1.00 registration fee for each person over ten years of age, or 50c for each person staying less than five nights. A charge of \$5.00 per room for ten days, or \$1.00 per night. All dormitory beds free. A charge of \$5.00 for ten days for meals, or 40c a meal. All children under ten years of age one half price. We further recommend that those desiring to work out expenses be permitted to do so.

19. We recommend that all active gospel workers be entertained free, but shall pay registration fee.

20. We recommend that all evangelists, song evangelists, pastors and unstationed ministers state in their quarterly and annual reports the amount of their assessments or tithes sent in to the District Treasurer.

DISTRICT LOAN FUND

1. We recommend that the District Loan fund be placed under the supervision of three: The District Superintendent, District Treasurer and one other person appointed by the District Council, said committee to be under the direction of the District Council.

2. We recommend that each loan be limited to \$500.00 payable in eighteen monthly installments at 4% (four percent) interest rate until loan fund shall reach amount as would merit increase.

3. We recommend that each church be limited to one loan at five hundred dollars (\$500.00) until said church has paid principal and interest down to \$250.00; after which the church will become eligible for additional loan of \$250.00.

4. We recommend that when regular monthly payment cannot be made that the church be penalized \$2.50 for each month behind with payment.
