### DISTRICT SUPERINTENDENT'S REPORT

TO THE THIRTEENTH ASSEMBLY OF THE  
 I. H. CHURCH OF WEST VIRGINIA DISTRICT:

We are again assembled after one of the most strenuous years the church has ever had, yet God has helped us to gain some ground, but "There is much land ahead to be possessed." We are now beginning one of the most important assemblies we have ever held, for we must consider recommending to the General Assembly such changes to our manual as we feel would glorify God. I trust we shall do this prayerfully and in a God-fearing spirit.

In our last annual report we reported two new churches organized, one at Williamson and the other at Wayne. The church at Wayne has erected a new church building, has held three revivals this year and has paid more than two thirds of the indebtedness of their church. The church at Williamson has a good church building under construction. They now have it enclosed and expect to soon finish it. The church at Ft. Gay has started to put in the foundation for a new concrete church building 40x60 feet, which they expect to finish in time to have a revival in this winter.

During the year we have organized two new churches, one at Nine Mile, W. Va., and the other at Tolar, Ky. The church at Nine Mile is the Mission church Bro. Ash had charge of for a number of years and at their request we organized them into an I. H. Church and they gave us a warranty deed to the property.

The church at Tolar, Ky., is the result of our State Tent work under the direction of Bro. J. C. Wakefield, assisted by Bros. Hatfield and Baker. These brethren have done good work and have left a record behind them that they need not be ashamed of. As Tolar is just over the boundary line of West Virginia, the district superintendent of Kentucky suggested to me that we take this church in our district which we did and they will have delegates at this Assembly.

We were compelled to buy a new tent this year. The expense of the tent work has been very heavy and the offerings very light and there is now a deficiency in the State Treasury that must be met at once for we feel the laborer is worthy of his hire.

The spiritual condition of the church in the district as a whole is very good with the exception of a few places where there seems to be a tendency to ease up a little to keep the good will of the world, but I am praying God will keep us too hot for the world.

We now have a membership of 375, an increase over last year of 29 mmbers. I feel we ought to urge on our converts the need of getting into a good spiritual church. Let us do this in the future.

The total valuation of our church property as reported in this district is \$86,834.75, showing an increase over last year of \$10,034.75. The indebtedness is about \$9,000.00.

Since our last Assembly I have visited each church in the district twice, giving them from two to three days each time. I have also visited the Tent work four times and have done what I could to help them. I have received as support for this work including my traveling expenses \$314.43. At the Assembly last year there was a resolution passed that each pastor should raise a sum equivalent to \$1.00 per capita of the membership of his church for the support of the district superintendent above the freewill offering that was to be taken on his visit to the churches. If any of the pastors have complied with the resolution I have not heard of it. A few individual members have handed me an offering saying it was for that purpose.

Shortly after the assembly last year Bro. Wolfe accepted the pastorate of the Ashland Heights church at Ashland, Ky., and has transferred his membership to the Kentucky district.

I want to call the attention of this assembly to our school at Kingswood, Ky. It is starting off this year with a large student body and a good faculty, with Bro. C. G. Taylor as president. They are contemplating putting in a heating plant this fall and need your prayers and help. As president of the board of trustees I have spent about nine weeks this summer in the Ohio and Indiana districts in the interest of the school trying to awaken our people to take care of their own work and see that it was supported.

During the year in my district, evangelistic and school work, I have traveled 10,194 miles, have attended about 450 services, preached 398 times; 458 have knelt at the altar and 234 have professed to be either saved or sanctified. I have received for support from all sources \$1570.99.

Respectfully submitted,

J. F. WOODS, Dist. Supt.

#### ASSISTANT DISTRICT SUPERINTENDENT'S REPORT

I have preached 207 times, have had 350 seekers nearly all of whom claimed to pray through; have helped in eight revivals and eleven street meetings; have anointed a number of sick people for healing; have visited all the churches in the district once. Amount received for support \$909.85.

Respectfully submitted,

J. A. FIELDS.

**Report of Delegate:**

This church stands for Bible holiness while at the present time the spiritual condition of the church is at a very low ebb. There are a few that have the blessing and are standing true and pushing the battle for God, and souls. We are expecting and believing God for great things yet at Fort Gay. Bro. Wm. J. B. Edmond is our pastor and is doing his best to see the church go for God and souls. We haven't any church building at present, but by God's help we expect to see one go up soon. We have had 23 cottage prayer meetings during the year. Church prayer meetings, 51; revivals, 2; evangelist, 1; saved, about 14; sanctified, 4; church membership beginning of year, 45; dropped 5; total membership 40.

To the 13th annual convention of the International Holiness Church of West Virginia, to be held at Huntington church. I submit the following report for the year beginning Oct. 2, 1921: At that time we had an enrollment of 95 members. During the year we have received 4 members, making a total of 99. Of that number 8 have been transferred, 4 to the Nazarene church, 1 reinstated, 3 to our own church in another district, leaving us a membership of 91. We have had three revivals this year. The first one was held by our pastor, Bro. Brillhart. God gave us a blessed meeting. There was not a barren service. Souls claimed to pray through to victory. Our next revival Bro. Harry Woods assisted our pastor. God gave us a good meetings. Souls were saved and sanctified. Our next meeting was our state camp meeting conducted by our state superintendent, J. F. Woods. The engaged evangelist, J. V. Coleman, wife and son, singer was C. L. Cosand. God gave us a very good meeting. Souls knelt at the altar. Some prayed through. The missionaries present were Bro. A. E. Rassman and wife from India, Bro. R. G. Finch from South America and West Indies, Bro. Harry Woods from Japan and Korea. Bro. J. F. Woods represented our own State work. God gave us a good missionary offering. Our regular services are as follows: Sunday morning at 9:30, Sunday school. Preaching at 11 by our pastor. Preaching at 7:30 in the evening. On Tuesday we have the Ladies' Prayer Band. Tuesday evening, cottage prayer meeting and testimonies. Thursday evening is our regular prayer meeting. HARRY F. WOODS—When I gave my report at the Annual District Assembly of last year, it was in full anticipation that when you met this year I would be in the Orient, but the Lord has seen fit to postpone my departure for a season. Last winter, contemplating an early departure, I visited several places and by the help of the Lord raised my return railroad and steamship fare and would have returned to the field in February of this year; but as there was no one in the home land to represent the needs of the mission field, I was asked to remain in the States for that purpose. Since last year I have been engaged in conducting missionary meetings. I held by the help of the Lord two revival meetings, one at Clarksburg and one at Wayne, W. Va., and also assisted in one at Huntington. Besides these meetings I have visited during the summer ten different camp meetings in which besides conducting missionary meetings I assisted in the evangelistic services both by preaching and in working around the altar. In all I have preached one hundred and two times, as well as giving a number of short talks. God has blessed my labors. Through the messages given a great many hearts have been touched in the interest of missions—sinners have been converted—believers have been sanctified—and the saints have been edified. It is with great pleasure that I look back over the summer with a consciousness that there are some who have been brought heavenward through my ministry.

As I come to this Assembly it is with a feeling that it will be the last that will spend with you for a number of years; for, if nothing happens, and God so wills, I expect to sail from San Francisco on Nov. 4th by the Steamship Nile. I am looking forward to meeting again those whom I left behind when I returned to the States. Men, who though different in color and in speech are as zealous for the Kingdom as we are.

As I leave you, I trust that you will remember me in your prayers that the succeeding years of my ministry may be the most fruitful of my life. The greatest desire of my life is to be an instrument through which the Holy Ghost may work. May God help all of us—and when they come from the East and the West and from the North and the South, may we all have so labored that we shall be able to say that we did our best to make it a reality. Truly the fields are white unto harvest, and the laborers are few. Let us pray that the Lord of the harvest will send forth laborers into his vineyard.
