MINUTES OF THE SIXTH ANNUAL CONVENTION OF THE
APOSTOLIC HOLINESS CHURCH,

MARCH 11, 1919. 10 A. M.

Rev. H. A. Saneholtz presided and called to order the first business session of the Sixth Annual Convention in The Apostolic Holiness Church, 4311 N. 18th street, Philadelphia, on the above date and hour.

Reading of the minutes of the 1918 convention was dispensed with upon proper motion duly adopted and instead printed copies were placed in the hands of the delegates.

The pleasure of the convention was expressed in the designation of the first five rows of seat sas the conference bar.

Looking toward the expedition of business the convention harmoniously and unanimously conferred upon the presiding officer the authority to appoint all committees.

The time for the holding of the annual election of officers was fixed for Friday afternoon.

State Superintendent, Brother H. A. Saneholtz, presented his annual report as follows, which was upon motion accepted and ordered spread upon the minutes:

The Committee on 1918 Minutes, consisting of Brothers D. A. King, J. L. Sutton and W. J. Crider, reported having attended to the duty assigned them and the bill was ordered paid. Upon motion the report was accepted and the committee discharged.

The convention decided that the minutes of the 1919 convention should be published and distributed on motion properly made, put and carried.

In discussing the method to be pursued to cover the cost of printing the minutes as aforesaid, a motion prevailed that we adopt the plan of previous years, viz: that preachers and delegates order stated numbers of copies for their churches at the rate of ten (10) cents per copy and that four (400) hundred copies be printed.

The courtesy of the convention was extended to the wives of ministers by inviting them to a place in the conference bar.

Following are the persons appointed by the chair on the Resolutions Committee:

D. A. King, John Orkney, G. W. Heins.

Hours for the open business sessions were fixed as follows: From 9 o'clock A. M. to 12 o'clock noon.

The fifth session was called to order by Superintendent Rev. H. A. Saneholtz.

Roll call and reading of minutes were dispensed with.

R. M. Harding presented the following resolution:

Realizing the open door which the acquirement of Beulah Park affords us, there are requisites which necessarily confront us, that is, of the proper management of the same. With all due respect to our State Council, we feel that they as a body are inadequate for the upbuilding and maintenance of Beulah Park, for one reason

that their cares are now legion, but mainly because at best the membership in State Council is transitory, therefore, it is unwise for this Conference to make it possible for the management of such an important work to be thrust yearly into the hands of persons unacquainted with the intricate matters pertaining thereto, we therefore submit for your consideration and approval the following resolution:

Whereas, This Conference deems the management of Beulah Park of such moment that, be it

Resolved, That this Conference nominate and elect seven men as trustees and directors of Beulah Park for the Eastern Pennsylvania Holiness Association, who are to be vested with the power to adopt the accounting system now being used by the State Councils, to elect their own officers and transact any and all business pertaining to the proper management of Beulah Park, and acting in a subsidiary capacity to the State Council, only in so far as they shall have their accounts audited yearly by our Conference. Furthermore be it

Resolved, That seven persons shall be elected for terms as follows: One for seven years, one for six, one for five, one for four, one for three, one for two, one for one year, and at each succeeding Conference one man be elected by Trustees and Directors to serve for seven years.

Whereas, This Conference realizes that the following characteristics shall be prominent in anyone elected to this office:

1st. Vital godliness with an ardent desire for the advancement of this work;

2nd. Sufficient ability to enable them to properly transact the necessary business connected thereto;

3rd. A clean past record so that their presence as an incumbent of the office will not bring the work into ill repute.

It being properly moved and seconde that the resolution be adopted a vote was taken resulting in its adoption.

A motion prevailed that the Conference proceed to the election of officers, trustees and directors, as provided for in the resolution just previously adopted.

The chair appointed R. M. Harding, Conrad Christine and Rev. Traiger to act as tellers.

1st—*Resolved*, That we, as a convention, do hereby request our Local Advisory Board to be more prayerful and careful and to be sure of the call and proper qualifications of individuals before recommending them to the State Council for license to preach.
