Johnson for one month of the year to help him in his work in the western part of the state.

Motion was made and carried that this proposition be accepted.

Motion made and carried that the

balance be raised by the same plan used when Bro. Frazier was State Superintendent. Under this plan each church and mission is to raise the amount apportioned to them by the State Council for each month. This amount to be sent to the State Treasurer, James L. Crouse, Greensboro, North Carolina.

In order that Bro. Johnson might enter upon his work at once, it was decided that an offering be taken for him at this time. Same to be deducted from the first month's offering and returned to the persons giving it by the churches which they represented. The offering taken amounted to \$25.90, in cash and pledges.

BIBLE SCHOOL REPORT.

The afternoon service on Friday of the Conference was devoted to the interest of the Bible School and Rescue Home at Greensboro, N. C.

The Southern Railway furnished a private car to the Conference and back, and student body and teachers of the school and the matron and her assistant, of the Rescue Home, attended.

They sang, shouted and testified while the train was taking them on.

The superintendent, W. R. Cox, gave a talk explaining the object of the school, what it

is accomplishing, the blessings of God upon it and emphasized the duty of the Holiness people to stand by it and patronize it.

Several students were called on to give their testimony, and as they told how God led them to school, what they were receiving out of it and how their needs were supplied, the people cried and shouted, and we believe many realized that there is a great deal more being accomplished through the Bible School than they had thought.

RESCUE HOME REPORT.

After a talk by the superintendent, the matron, Mrs. Craner, told of how God led her to the Rescue Home as matron and how He was blessing her in the work of helping to save precious wayward daughters.

Miss Harvey, the assistant matron, then talked, telling her experience in connection with the Home and how God was working in that institution to rescue and salvation of souls. She encouraged the people to stand by it and lend their support, that these lost souls might have a chance to be saved.
