District Superintendent's Report

To The Pilgrim Holiness Church, Kansas District. Greetings:—

Dear Co-labourers: Another conference year has come to a close, and in compliance with our custom of giving an account of our yearly labor, it faintly reminds us of the time when we shall be assembled at the judgment to give an entire account of our lifes work. The past year means that a portion of lifes history is made and completed; what it might have been or could have been will not alter the facts of what it is.

On account of the changes made by the General Council, I feel that you will all agree with me that the past year can rightly be called a year of adjustments, though a few unpleasant things have occurred, however, the God of Israel has been with us and in general a beautiful spirit has been manifested. Again I feel like saying that God has greatly helped us, and there is no reason that we should not go forward, if we be scripturally and spiritually armed as Paul has said, "The weapons of our warfare are not carnal, but mighty through God, to the pulling down of strong holds."

I took a number of subscriptions to the Advocate and few souls were both saved and sanctified, which will all be given in the Church report. I have done my best where no doubt many could have done better.

Superintendent, the calling of Pastors for any new churches organized. Lost.

3 We recommend that at the end of the tent season, if not otherwise engaged in home missionary meetings in halls or elsewhere, that the Home Missionary, where desirable, be engaged and used as Evangelists in the district where classes pay their pastor less than \$400.00 per year cash. Supt. Lost.
