

CHURCH PLANT GRANT

Ministry Plan Checklist

Use this checklist as a tool for developing your church's Hephzibah62:4 ministry plan, specifically aimed at transforming the lives of vulnerable children in your community:

- Our ministry plan falls under at least one of the Hephzibah62:4 key areas of engagement: Trauma-Informed Care, Sanctity of Human Life, Anti-Trafficking, Special Needs Ministry, Family Preservation, Foster Care, or Adoption. (See hephzibah.org for more information on these categories of engagement.)
- Our ministry is based in the local church but has the potential to impact the wider community.
- Our ministry draws in church attendees for hands-on involvement and creates discipleship opportunities both for those serving and those being served.
- Our ministry plan includes community collaboration and seeking to grow, strengthen and sustain via partnerships with other local churches, non-profit organizations, child welfare offices, law enforcement agencies or schools.
- Our ministry plan documents supporting evidence of the need for this particular ministry. (Statistics, insights from conversations with key community practitioners, etc.)
- Our ministry plan includes future plans for sustainability, budget, timeline and launch date.
