

Startup Grant for New Campus Site Application

The Church Multiplication Collective of The Wesleyan Church is committed to providing a \$3,000 “*matching*” grant for any church committed to launching a new campus or site within a new location or zip code. **This new grant will be available upon receiving and approving the grant; and as this grant fund allows.*

In order to qualify for the Campus/Site Startup Grant, church leaders:

1. Must be a Wesleyan Church in good standing.
2. Must have local church board (or leadership advisory team) approval.
3. Must have District Superintendent approval (*DBA approval not necessary).
4. Must be willing to commit to govern the new campus/site in perpetuity or until the campus/site obtains autonomous church plant status.
5. Must be willing to mentor and provide a strong relationship and strategic guidance for the campus/site leadership team.
6. Must be willing to proactively set up the campus/site to become a reproducing/multiplying church body.
7. Please submit a budget of the percentage of the campus/site’s offering for a future campus/site or autonomous church plant.
